

haven

laptop backpack

The **haven** is a perfect travel companion for your local commute and/or global adventure with generous storage space and superior tech protection.

features

- Dedicated SlingTech section - external access, zippered compartment for your laptop and tablet, suspended off the floor of the bag for extra protection
 - CableReady™ - STM's proprietary cable routing system utilises purpose-built pockets, ports between sections, and integrated cable management to store, access, and charge your devices while keeping your bag organised
 - Water resistant fabric for years of durable transport
 - Internal fleece lined sunglasses pocket
 - Internal document sleeve - your paperwork is stored safely
 - Stretch bottle pocket
 - Front overflow pocket for quick storage
 - External zippered pocket with cable pass-through for easy charge and access to your phone
 - Air mesh harness and channeled back system for comfort and ventilation over the long haul
 - Adjustable sternum strap lightens the load
 - Elastic power pocket for stowing your laptop's charging brick & cords
- * cables and portable power not included
